

LATINO

FARMER CONFERENCE

November 1- 2, 2023 | Stockton, CA

This conference brings together the Latino farming community, the agriculture industry, and advocates for sustainability and agribusinesses for two days of workshops, networking, and learning with fellow farmers.

November 1

Conference Day
Stockton Agricultural Center

Network with local businesses and organizations.

The day will include a series of presentations from farmers and other experts in the field.

November 2

Field Day: Local Farms
Transportation provided

Visit two local farms that are demonstrating successful business and ecological management practices. This event will be first come first served.

SCAN TO REGISTER!
